# ***DoD Memorandum***

**U.S. AIR FORCE**

---

- **Should be signed this week**
- **Facilitate flow of materiel by reducing the number of frustrated shipments**
- **Preferred method is door-to-door commercial transportation**
- **However, contingency operations, crisis, emergencies dictate organic transportation**
  - **Shipments must be properly marked and labeled**
  - **If not, shipments are frustrated**
- **Shipments must comply with MIL-STD 129, Department of Defense Standard Practice Military Marking for Shipment and Storage**
- **Contracts issued after date of policy must include policy**

U.S. AIR FORCE

# ***DoD Memorandum*** ***(cont'd)***

- **Contracts must include a provision for the vendor to notify and the Contractor Officer approve shipments that must enter the DoD organic transportation system**
- **Existing contracts may be modified**
- **Vendor compliance should be considered in evaluating past performance and deciding whether to exercise an option**
- **Considered in calculating award fee or other performance-based remuneration**
- **Additional requirements in handout**

U.S. AIR FORCE

# ***US Munitions List***

---

- **Shipper's Export Declaration (SED) certifying shipment is for exclusive use of military**
- **Use demilitarization (DEMIL) code**
- **Must identify on shipping document**
- **Working on an electronic interface with US Customs' Automated Export System**
- **Policy effective Jan 03**
